

### Parlay Boost Conditions

#### Promotion Period

This Promotion (the “**Promotion**”) runs from August 19<sup>th</sup> 2025 at 12:00:00 am PT / 1:00:00am CST / 02:00:00 am CT and ends on July 31<sup>st</sup>, 2026 9:00:00 pm PT / 10:00:00pm CST / 11:00:00 pm CT (the “**Promotion Period**”) and will be subject to these promotion conditions (the “**Promotion Conditions**”).

#### How it Works:

1. During the Promotion Period, place a straight parlay of three (3) selections or more on the available leagues and corresponding markets set out in Appendix A below with each selection of that parlay having minimum 1.50 (-200 American Odds) in accordance with the conditions set out below (“**Qualifying Bet**”).
2. If your Qualifying Bet is successful, you will receive additional winnings depending on the number of selections in the Qualifying Bet in accordance with the parlay boost breakdown in Appendix B (“**Parlay Boost**”).
3. A Parlay Boost will be paid as cash into your PlayNow.com account.
4. A bet placed with bonus bets will not be considered a Qualifying Bet and, therefore, will be ineligible for a Parlay Boost.
5. The maximum Parlay Boost that may be applied to a Qualifying Bet is \$50,000.

#### Conditions for a Qualifying Bet:

- A Qualifying Bet must be placed prior to the start of the first event in the parlay (live, in-play bets do not apply).
- If selections within a Qualifying Bet become void, the Parlay Boost percentage will reflect the number of winning selections only.
  - For example: a 6-team (6-Fold) Qualifying Bet with 1 voided selection will be treated like a 5-team Qualifying Bet, and you would receive the Parlay Boost for a 5-team winning Qualifying Bet, which is 9%.
  - If a selection within a Qualifying Bet that has 3-Folds is voided, no Parlay Boost will be available for that Qualifying Bet.
- If a Qualifying Bet is fully cashed out, the bet is considered settled and no longer eligible for the Parlay Boost, even if all selections win later.
- If a Qualifying Bet is partially cashed out, the Parlay Boost will apply only to the portion of the stake that remains alive.
  - For example: if you placed a \$100 parlay and cashed out \$40, the boost will apply to the remaining \$60 if the bet wins.
- The Parlay Boost will automatically be applied to the payout of the Qualifying Bet once your last qualifying selection settles.
- Parlay Boosts will not apply to pre-built 3+ Selection Odds Boosts.

## Parlay Boost Conditions

- Same Game Parlay, Combo Bets, Teasers, Single Bets and any other bet outside standard parlays will not qualify for a Parlay Boost.
- BCLC, SIGA in conjunction with BCLC, or MBLL in conjunction with BCLC reserves the right to withdraw or remove a Parlay Boost without prior notice. Should a Parlay Boost be withdrawn or removed, all Qualifying Bets already wagered will stand; win or lose.

### General Conditions

- In the event PlayNow determines a player is misusing, exploiting or manipulating any sportsbook promotion or bonus system, PlayNow reserves the right to revoke any player's eligibility for current and future promotions.
- If BCLC, SIGA in conjunction with BCLC, or MBLL in conjunction with BCLC determines that a Parlay Boost was awarded in error, BCLC reserves the right to reclaim any bonus amount that may have been awarded.
- BCLC, SIGA in conjunction with BCLC, or MBLL in conjunction with BCLC reserves the right to disqualify players that do not comply with these conditions, the PlayNow.com Player Agreement, or other applicable rules or terms of use (each as defined in the Player Agreement, collectively ("**Lottery Rules**"). In the event of a conflict between these conditions and any lottery scheme, the applicable Lottery Rules will prevail.
- This Promotion is subject to applicable terms and conditions, including the PlayNow.com Player Agreement.
- This Promotion may be withdrawn, extended, paused or amended by BCLC at any time.
- All decisions of BCLC, SIGA in conjunction with BCLC, or MBLL in conjunction with BCLC, are final and binding.
